

WELCOME TO A2Z,

A2Z is the final steppingstone in our series of children's programs. It is our Kindergarten Readiness program. Your child must be 4 or 5 yrs. old and attending Kindergarten in September of 2023 to enroll. It is a 2-hour program. All children must be able to use the restroom without assistance. Parents are welcome to wait in the library or leave their child with us. Parents are not allowed to accompany the child during the program.

This program stresses letter and number recognition, phonetics and writing skills. We will learn to write the alphabet, upper and lower case, and numbers to 20. We will be using a hands-on approach by "building" the letters and some worksheet activities. Your child will should be able to write his or her own name by the end of the year.

This year we are using a wide variety of educational games, art projects, and some STEM activities to reinforce and strengthen the skills they will need for Kindergarten.

The library provides a nutritious lunch for your child each week.

At our Open House we will walk through our Learning Without Tears program. We invite you to come explore the classroom with your child. This really helps with separation anxiety on the first day.

OPEN HOUSE DATES: Monday, August 29th 11:00 am – 11:30 am
 Tuesday, August 30th 7:00 pm – 7:30 pm

Sincerely,

Jane and Kim
The Perry Cook Memorial Library Children's Programming Staff
