

WELCOME TO Little Learners,

Little Learners is the 2nd steppingstone in our series of children's programs. Your child must be 3 or 4 yrs. to enroll and potty trained. It is a 1-hour program. Parents are encouraged to stay in the library, however they are not allowed to accompany the child during the program.

This program introduces letters and numbers, colors and shapes. We will be using a hands-on approach by "building" Mat Man and shapes. We put together a "Class Book" of alphabet exercises throughout the year.

This year we are using a wide variety of songs, stories, art projects, and some STEM activities to reinforce and strengthen their skills.

Each child will be sent home with a light nutritious snack and drink.

We invite you to come explore the classroom with your child. This really helps with separation anxiety on the first day.

OPEN HOUSE DATES: Monday, August 29th 10:00 am – 10:30 am
 Tuesday, August 30th 6:00 pm – 6:30 pm

Sincerely,
