

Welcome to Tinker Tots.

Tinker Tots is the 1st steppingstone in our series of Early Childhood Literacy programs. Tinker Tots focuses on learning colors, counting, some letter introduction, and fine and gross motor skills. Your child must be 2 years of age by September, 2024 and no older than 3 by May 2025.

This program is collaborative in nature and is designed for a child to attend and participate in with his/her caregiver. It utilizes story-telling, songs, dancing, and floor activities which encourage group participation and cooperation. Additionally, we have art projects that require small and gross motor skills that will improve your child's ability to grip pencils and scissors.

Registration opens April 15, 2024.

Sincerely,

Vickie and Cheryl  
The Perry Cook Memorial Library Tinker Tots Programming Staff
